GUIDES TO GERMAN RECORDS MICROFILMED AT ALEXANDRIA, VA.

No. 2. Records of the Office of the Reich Commissioner for the Strengthening of Germanism

(Reichskommissar für die Festigung deutschen Volksstums)
The present guide is the first part of several similar publications to be issued by the American Historical Association's Committee for the Study of War Documents. It is the first index of materials microfilmed under the auspices of the American Historical Association. A previous publication, prepared by Ernst Schwandt, Index of Microfilmed Records of the German Foreign Ministry and the Reich’s Chancellery covering the Weimar Period, deposited at the National Archives, (1958, 95 p.), covers records microfilmed by the American, British, and French Governments in the preparation of the series Documents on German Foreign Policy 1918-1945.

An American Committee for the Study of the War Documents was established in 1955 as a private group of scholars interested in documentary research and especially in the microfilming of records of foreign origin kept in American depositories. In 1956 the American Committee became a committee of the American Historical Association. Its present Chairman (1958) is Professor Oron J. Hale, University of Virginia, who was preceded by Dean Reginald H. Phelps, Harvard University, and Professor Lynn M. Case of the University of Pennsylvania. An initial Ford Foundation grant and additional funds provided by the Old Dominion Foundation enabled the Committee to undertake the cataloguing and microfilming of declassified German records in the custody of the Adjutant General’s Departmental Records Branch (now the War Records Division II, National Archives, previously Military Records Branch, Federal Records Center, Region 3, General Services Administration) at Alexandria, Virginia.

The plans for screening and microfilming of these materials were prepared by a Subcommittee on Microfilming under the Chairmanship to the end of 1956 of Professor E. Malcolm Carroll, Duke University, and his successor Dr. Fritz T. Epstein, The Library of Congress. Professor Gerhard L. Weinberg of the University of Kentucky directed the microfilming team in Alexandria in 1956/7 which is now under the supervision of Dr. Dagmar Horne Perman.

The present guide is a collection of descriptions of record groups filmed by the Microfilming Project of the AHA Committee. Because the project is not yet completed, this guide will appear in instalments.

The American Historical Association expresses its appreciation for the cooperation given to its Committee for the Study of War Documents by the staffs of the War Records Division II, the National Archives and the U.S. Department of the Army.

Dr. Boyd C. Shafer
Executive Secretary, AHA
This Guide is one of a series of finding aids describing those declassified seized German records deposited at the Military Records Branch, Federal Records Center, Region 3, General Services Administration, that have been microfilmed by the Microfilming Project of the American Committee for the Study of War Documents (now the Committee for the Study of War Documents of the American Historical Association). The Guide contains the text of data sheets identifying records filmed. A copy of the data sheet has been filmed as a target sheet at the beginning of each roll of film.

The Guide covers 20 rolls of film of the records of the Reichskommissar für die Festigung deutschen Volkstums (RKFDV). These rolls cover primarily the records of the Chief Staff Office (Stabshauptamt). Some records of other offices of the Reichskommissar für die Festigung deutschen Volkstums are also included: Kattowitz office, Aussiedlungstab Kauen (Kowno), Zentralbodenamt. A small amount of material of the Höhere SS-und Polizeiführer Sdä (Wehrkreis VII) als Beauftragter des Reichskommissars für die Festigung deutscher Volkstums, Sonderstab Henschel and Getto-Verwaltung Litzmannstadt (Lodz) was also found in this collection.

The terms "Serial" and "Roll" in this Guide refer to the sequence of the film. The "Item" number is the identification symbol on the original folder within the captured records collection. "Provenance" indicates, where ascertainable, the archival origin of the documents whose description follows. The symbol "FT" means that the folder has been filmed throughout, the symbol "FS" denotes that the folder has been filmed selectively. "1st Frame" gives the frame number of the first page of the folder. Every exposure has been given a frame number consecutively throughout the filming operation. The "Notes" provide a general idea of the nature of the materials but should be taken as hints, not complete descriptions. When the German file number could be ascertained, it has been included. The nature of the records filmed makes it necessary for researchers to check the whole guide since no index has been prepared.

The original records of the Reichskommissar für die Festigung deutschen Volkstums are located in the Military Records Branch, Federal Records Center, Region 3, General Services Administration under Record Group No. 1011. The microfilms are deposited in the National Archives, Washington 25, D. C., as microcopy No. T-74 and should be requested by adding to "T-74" the roll numbers.

Serial 3.

A folder containing the Dienstanordnungen of the Stabshauptamt for 1939-43
and some Rundschreiben of the Stabshauptamt for 1943. The material is primarily
of an internal administrative nature, but there are many documents of interest
for the general activity of the RKFDV and related SS operations.

A file on furniture made for the SS in ghettos, 1941-42; from the Stabshaupt-
amt files.

A file of Allgemeine Anordnungen und Richtlinien issued by the RKFDV, 1939-44,
on various subjects from the files of the Statistik section of the Stabshauptamt.
Many of the documents are of importance for the policies of the RKFDV.

A file of organization tables and lists of addresses of RKFDV and related SS
offices, 1941-42, from the Stabshauptamt files. Also included is the January
1942 activity report of the Stabshauptabteilung Menschenreinheit. A valuable folder.

A collection, probably from the files of the Stabshauptamt, of the circulars
of the various offices of the RKFDV, 1940-42. This collection is of considerable
value as it covers the different activities of the Hauptabteilungen of the RKFDV
and seems to be reasonably complete.

A group of documents, probably from the files of the Katowitz office. The
first is a carbon copy of the RKFDV Stabshauptamt, "Allgemeine Anordnung über die
Behandlung der in die Deutsche Volkaliiste aufgenommenen Personen," no date, but
probably 1941. There follows the July 1942 situation report of the NSDAP, Kreis
Tetschen, Der Kreiswirtschaftsberater. Then a relief-payments schedule for Katto-
worth. Then a copy of the Vertrauliche Durchführungsanweisung für die Dritte
Anordnung über die Haustrubehandlwerte Ost, 1942. Then a copy of the nur fur den
Dienstgebrauch Richtlinien für Eindeutschung polnischer Familien, no date, issued
by the SS-Führer in Rasse und Siedlungswesen beim HSheren SS-und Polizeiführer
Südost. The following document, a circular on "Der Papst und die Rassenfrage
issued in October 1938 by the NSDAP, Gau Hessen-Nassau, Gauschulungsamt, may be
related to RDV 70 and 71. The same is true of the next document, a discussion
of the public conduct of Party officials probably related to the preceding docu-
ment. There follows a Reichsministerium des Innern Erlasse, probably from the
RKFDV Katowitz files, 1940.

A series of files of the Stabshauptamt. A Folder on Luftschutz und Kriegs-
schäden, 1944, duplicates omitted. Anordnungen der NSDAP, 1944-45. Anordnungen
des SS-Wirtschafts-Verwaltungshauptamtes, 1943-44. Energie Einsparung, 1943.

A folder of the Hauptabteilung Statistik in the Stabshauptamt on the resettle-
ment of the Germans from Yugoslavia (Gottschee- Laibach), 1941-42. The folder

A folder of the Hauptabteilung Statistik in the Stabshauptamt on the resettlement of the Germans from Yugoslavia (Gottische-Laibach), 1941-42. The folder contains some very useful material on the resettlement program and some 1941 reports of the RKFDV on the situation in Yugoslavia and the Yugoslav territories incorporated into Germany (Untersteiermark). Duplicates omitted. Continued on Serial 4.

RDV 17 FT 374384

A folder of the Stabshauptamt on the Alvensleben-Schönborn estate (Ostrometzko), 1940-45. An interesting group of materials on the fate of the estates of one of the pre-war richest German-owned estates in Poland both before and during World War II. Much of the documentation deals with the internment of the family, much with the efforts first of the Poles, later of the Nazis, to confiscate the estate. Included is some material on the Oberste Prüfungsstelle für Volkszugehörigkeitsfragen in den eingegliederten Ostgebieten of which Greifelt, who was later to get the Alvensleben estate, sat as member to rule on the Alvensleben case. The correspondence continues well beyond occupation of the estates by the Russians. See also folders RDV 23, 24.

RDV 18 FT 374682

A folder of the Stabshauptamt on the Bata Schuhu. Lederwerke AG., Chelmek, 1941-43. The folder records struggles over the control of this concern and its branches in German-occupied Poland. Fewer treuhandstelle Ost was involved. See also folder RDV 69.

Folder of the Stabshauptamt on Veränderungsmeldungen in the Bildplanwerk issued by the Oberkommando der Luftwaffe, Luftwaffenführungsstab, 7. Abt., 1942-44. Included at the front of the folder is a stray item, obviously from another collection. The scheme was sponsored by Himmler on a basis somewhat analogous to that of the Heydrich family. The documents also shed some light on the long-term German settlement plans for Eastern Europe, particularly Greifelt's letter to Brandt of Himmler's PersönlichenStab on 2 December 1944. A group of duplicates at the end omitted.

A Feilkarte belonging to RDV 52.

Metzel and G. Hecht of the RassenpolitischenAmt. In addition to RDV 56, the RKFDV collection contains a third, unnumbered, copy of this memorandum.

A folder of the Kattowitz office of the RKFDV on Auschwitz, 1941. It contains a document of considerable importance of 11 February 1941 on a visit of members of the Kattowitz office and Dr. Arit to Auschwitz and Chielmek. The document is of interest for the early history of Auschwitz. See also RDV 132.
